WAR DEPARTMENT,

Washington, June 26, 1897.

It has been determined from evidence before the Department that the charges of desertion of January 18, 1863, and July 17, 1863, of record against this soldier are erroneous, and that he was absent without leave from July 17, 1863, to November 19, 1863.

ARTICLES OF WAR.

ART. III. When any non-commissioned officer or soldier shall die, or be killed in the service of the United States, the then commanding officer of the troop or company shall, in the presence of two other commissioned officers, take an account of what effects he died possessed of, above his arms and accoutrements, and transmit the same to the office of the Department of War, which said effects are to be accounted for, and paid to the representatives of such deceased non-commissioned officer or soldier. And in case any of the officers so authorized to take care of the effects of deceased officers and soldiers, should, before they have accounted to their representatives for the same, have occasion to leave the regiment or post, by permanent or otherwise, they shall, before they be permitted to quit the same, deposit in the hands of the commanding officer, or of the assistant military agent, all the effects of such deceased non-commissioned officers and soldiers, in order that the same may be secured for, and paid to, their respective representatives.

ARMY REGULATIONS—EDITION OF 1862.

DECEASED SOLDIERS.

Par. 132. Inventories of the effects of deceased non-commissioned officers and soldiers, required by the 25th Article of War, will be forwarded to the Adjutant General, by the commander of the company to which the deceased belonged, and a duplicate of the same to the colonel of the regiment. Final statements of pay, clothing, &c., in duplicate, will be sent to the Adjutant General with one copy of the inventory. When a soldier dies at a post or station absent from his company, it will be the duty of his immediate commander to furnish the required inventory and final statements, and, at the same time, to forward to the commanding officer of the company to which the soldier belonged, a report of his death, specifying the date, place, and cause; to what time he was last paid, and the money or other effects in his possession at the time of his decease; which report will be noted on the next muster roll of the company to which the man belonged. Each inventory will be endorsed, "Inventory of the effects of _____, late of company (—), _____ regiment of _____, who died at _____, the _____ day of _____, 186—." If a legal representative cannot be found, it will be stated in the report. If the soldier leaves no effects, the fact will be reported.

Par. 133. Should the effects of a deceased non-commissioned officer or soldier not be administered upon within a short period after his decease, they shall be disposed of by a Council of Administration, under the authority of the commanding officer of the post, and the proceeds deposited with the Paymaster, to the credit of the United States, until they shall be claimed by the legal representatives of the deceased.

Par. 134. In all such cases of sales by the Council of Administration, a statement in detail, or account of the proceeds, duly certified by the Council and commanding officer, accompanied by the Paymaster's receipt for the proceeds, will be forwarded by the commanding officer to the Adjutant General. The statement will be endorsed, "Report of the proceeds of the effects of _____, late of company (—), _____ regiment of _____, who died at _____, the _____ day of _____, 186—."

NOTE 1.—The effects in all cases, when called for, should be turned over to the legal representative, without further authority from the Adjutant General. When the effects are turned over to the relatives of the deceased before these inventories are sent to the Adjutant General, their receipts therefor should be attached to the inventories. In all other cases, one copy will be sent with a letter of transmittal direct to the Adjutant General, and a duplicate retained by the officer.

NOTE 2.—Particular care should be taken to take receipts in duplicate from the Paymaster for any funds turned over to him; one copy should be sent direct to the Adjutant General and one retained by the officer.

VOLUNTEERS.

May 25 1863 Died 13

NOTE 1.—Two of these certificates (or duplicates) are to be given to each Volunteer Soldier or drafted man who may be discharged previously to the discharge of his company, that he may at once receive from the Paymaster the pay, &c., due him, and the captain or other COMMISSIONED officer commanding the company will certify to the act of the delivery of the duplicate certificates; on these certificates the Soldier is "entitled to" his discharge, and should also present his discharge to the Paymaster to have the payment entered on it. The discharge is to be given back to the Soldier by the Paymaster; the latter only retaining as his voucher the duplicate certificates.

NOTE 2.—If the Soldier is entitled to pay for the use of his horse, the Company Commander will certify to it, & put on the back of both these final statements, and also to the time he has pay due for having been so mounted on his own horse.

NOTE 3.—When a Soldier is furnished with final statements, his descriptive list, if he has one, should be taken up by the officer who gives the Soldier these statements, and endorsed with a statement to this effect by the officer. This endorsement should contain a full statement of the time for which the Soldier was allowed pay on his final statements, the clothing received, and all other charges against him or in his favor, so as to comprise a complete exhibit of his account. It will then be transmitted to the company commander of the Soldier, who will enter all the data necessary to a full understanding of the Soldier's account on the master roll upon which the Soldier's discharge is reported. The descriptive list will then be destroyed. The object of this is, that the remaining portion of the Soldier's account may be settled upon the receipt of these master rolls, and the Soldier receive any pay or allowances that may be due him at the time of his discharge, and which may not appear on his final statements from the fact that his descriptive list was incomplete. Three accounts for back pay, &c., are settled by the Auditor of the Treasury Department.

NOTE 4.—Charges for him or injury to clothing, horse equipments, and other miscellaneous charges, should appear under the heading of "Other Stoppages."

NOTE 5.—Bounty paid by State, Territory, and not by the United States, will not be entered on this statement.

NOTE 6.—Amount due the Soldier and Land must be entered on the master roll on which the discharge, death, desertion, &c., is reported, as well as on the final statement, otherwise the amount cannot be collected from the United States.

NOTE 7.—This blank will be used for deceased volunteers and drafted men, as well as for others.

NOTE 8.—Where a Soldier dies in Hospital or on detached service, his descriptive list, if he has one, should be sent with his final statements, in duplicate, to the Record Auditor, Washington, D. C.

FINAL STATEMENT

Pvt

OF

John L. Lull, Co. C
31st Regt of Minn. Inf.

VOLUNTEERS.

Died Aug 24 1864 1.4

NOTE 1.—Two of these certificates (or duplicates) are to be given to each Volunteer Soldier or drafted man who may be discharged previously to the discharge of his company, that he may at once receive from the Paymaster the pay due him, and the captain or other COMMISSIONED officer commanding the company will certify to the act of the delivery of the duplicate certificates, on these certificates the Soldier is "entitled to" his discharge, and should also present his discharge to the Paymaster to have the payment endorsed on it. The discharge is to be given back to the Soldier by the Paymaster; the latter only retaining as his voucher the duplicate certificates.

NOTE 2.—If the Soldier is entitled to pay for the use of his horse, the Company Commander will certify to that fact on the back of both these final statements, and also to the time he has pay due for having been so mounted on his own horse.

NOTE 3.—When a Soldier is furnished with final statements, his descriptive list, if he has one, should be taken up by the officer who gives the Soldier these statements, and endorsed with a statement to this effect by the officer. The endorsement should exhibit a full statement of the time for which the Soldier was allowed pay on his final statements, the clothing account, and all other charges against him or in his favor, as so to comprise a complete statement of his account. It will then be transmitted to the company commander of the Soldier, who will enter all the data necessary to a full understanding of the Soldier's account on the muster roll upon which the Soldier's discharge is reported. The descriptive list will then be destroyed. The object of this is that the remaining portion of the Soldier's account may be verified upon the receipt of these muster rolls, and the Soldier receive any pay or allowances that may be due him at the time of his discharge, and which may not appear on his final statements from the fact that his descriptive list is incomplete. These accounts for back pay, &c., are settled by the 3d Auditor of the Treasury Department.

NOTE 4.—Charges for loss or injury to clothing, baggage, equipments, and other miscellaneous charges, should appear under the heading of "Other Stoppages."

NOTE 5.—Money paid by State Authorities, and by the United States, will not be entered on this statement.

NOTE 6.—Amounts due the Soldier and Landw. must be entered on the muster roll as such the discharge, death, desertion, &c., is reported, as well as on the final statement, otherwise the amount cannot be collected from the United States.

NOTE 7.—This blank will be used for deceased volunteers and drafted men, as well as for others.

War Department,
Adjutant General's Office,

Washington, July 3, 1865

Sir:

In reply to your letter requesting a Descriptive List of Patrick Kain, a Private in Company I.D., 31 Regiment M^t Volunteers, I have the honor to furnish the following "Descriptive List," obtained from the records of this Office; which, from the want of the necessary data, (which is in the possession of the Company Commander,) is only "partial."

NAME, RANK AND REGIMENT, DESCRIPTION, &c.

Patrick Kain Private in Company I.D., 31 Regiment of M^t Inf Volunteers, is years of age: but no further "description" can be obtained from the files of this Office. He was enrolled on the 26th day of August, 1862, at the town of Concordet in the State of Mo by C.E. Allen, and mustered into the service of the United States on the 28th day of August, 1862, at the town of Concordet in the State of Mo by Lt Price, to serve for the period of 3 years or "during the war."

ACCOUNT OF PAY.

It is noted on the Muster Rolls of his Company for the months of March (by) April 1863 that he was last paid by Paymaster Maj Baydon on the 31st day of December, 1863.

ACCOUNT OF CLOTHING.

The files of this Office furnish no account of clothing: it must be obtained, if obtained at all, from his Company Commander.

REMARKS.

On the 10th of Nov he is reported "Sick a Hosp Beaufort S.C. Jan'y 12 65."

Very respectfully,

Your obedient servant,

Chas. Preck

Assistant Adjutant General.

Sing In Charge
Amley Hosp.

Washington D.C.

This "Partial Descriptive List" is given in order that the soldier may be discharged at once, without waiting for a descriptive list from his company commander; and, having been used by the proper officer to make out the soldier's final statement, should be entered with a statement to that effect by this office. This endorsement should exhibit the statement of the time for which the soldier was awarded pay on his final statement, the clothing company commander of the soldier, who will be held responsible to a full understanding of the soldier's account on the muster roll upon which the soldier's discharge is reported. This list will be destroyed. The object of this is, that the remaining portion of the soldier's account may be settled upon the receipt of these muster rolls, and the soldier receive any pay or allowance that may be due him at the time of his discharge, and which may not appear on his final statement from the fact that this list is incomplete or "partial."

Quartered out in compliance with Telegram A.G.O. dated Aug 25 1865.

FINAL STATEMENT

Pvt. Peter Keen

31st Regt of Infantry

VOLUNTEERS.

Did Aug 11th 1864

NOTE 1.—Two of these certificates (or duplicates) are to be given to each Volunteer Soldier or drafted man who may be discharged previously to the discharge of his company, that he may at once receive from the Paymaster the pay due for him, and the captain or other COMMISSIONED officer commanding the company will certify to the act of the delivery of the duplicate certificates, on these certificates the Soldier is "entitled to" his discharge and should also present his discharge to the Paymaster to have the payment endorsed on it. The discharge is to be given back to the Soldier by the Paymaster; the latter only retaining as his voucher the duplicate certificates.

NOTE 2.—If the Soldier is entitled to pay for the use of his horse, the Company Commander will certify to that fact on the back of both these final statements, and also to the time he has pay due for having been so mounted on his own horse.

NOTE 3.—When a Soldier is furnished with final statements, his descriptive list, if he has one, should be taken up by the officer who gives the Soldier these statements and endorsed with a statement to this effect by the officer. This endorsement should exhibit a full statement of the time for which the Soldier was allowed pay on his final statements, the clothing account, and all other charges against him or to his favor, as to comprise a complete exhibit of his account. It will then be transmitted to the company commander of the Soldier, who will enter all the data necessary to a full understanding of the Soldier's account on the muster roll upon which the Soldier's discharge is reported. The muster roll will then be destroyed. The object of this is that no remaining portion of the Soldier's account may be settled upon the muster roll, and the Soldier receive any pay or allowances he may be due him at the time of his discharge, and which may not appear on his final statements from the fact that his descriptive list is incomplete. These accounts for each pay, &c., are settled by the Adjutant General of the Treasury Department.

NOTE 4.—Charges for loss of arms, horse, baggage, and other miscellaneous charges, should appear under the heading of "Other Receipts."

NOTE 5.—Bounty paid by State authorities, and not by the United States, will not be entered on this statement.

NOTE 6.—Amounts due the Soldier and Landwarrant must be entered on the muster roll on which the discharge, death, desertion, &c., is reported, as well as on the final statement, otherwise the amount cannot be collected from the United States.

NOTE 7.—This blank will be used for deceased volunteers and drafted men, as well as for others.

NOTE 8.—Where a Soldier dies in Hospital or on detached service, his descriptive list, if he has one, should be sent with his final statement, in duplicate, to the Adjutant General, Washington, D. C.

ADJUTANT GENERAL'S OFFICE.

appeared before the undersigned, a Notary Public in and for said County and State a-
foresaid, and by him duly authorized to administer oaths, Alexander W. King, who being
by me duly sworn according to law, doth depose and say, that he residing near Patterson
Wayne County, State of Missouri, that he is the father of Samuel T. King
who is a private in Company K. Captain R. D. Duntley, of the 81st Regiment of
Missouri Volunteers, Col. T. C. Fletcher Commanding; That said Samuel T. King is now
fifteen years of age and one of that age when he enlisted on the 1st day of Nov
1862 at Patterson Missouri - in the aforesaid Company & Regiment;

That the said Samuel T. King was & is a minor and enlisted into the service of
the United States against the will and consent of this officer, and in disobedience
of the express will and wishes of this officer; That when the said Samuel T. King
enlisted it was promised to him by Capt. R. D. Duntley that he should act as a
private & he enlisted as such & with the expectation of being such, but ever since

private, which duty he never was and is not now able to perform; That for more
than one half of the time said Samuel has been in the service he has been in the
hospital & has not been with his regiment; That said Samuel T. King was
fraudulently enlisted with false promises and against the will and consent
of this officer, who now makes this declaration for the purpose of getting
him released from the service of the United States. And this officer fur-
ther declares that he has not in any manner been engaged in or aided or abetted
the rebellion in the United States, and now is and always has been true and loyal

FINAL STATEMENT

OF

John M. Lipstine Private, Co. A
31st Regt of Missouri

VOLUNTEERS.

Disch. Sept 1st 1864

NOTE 1.—Two of these certificates (or duplicates) are to be given to each Volunteer Soldier or drafted man who may be discharged previously to the discharge of his company, that he may at once receive from the Paymaster the pay due him, and the captain or other COMMISSIONED officer commanding the company will certify to the act of the delivery of the duplicate certificates; on these certificates the Soldier is "entitled to" his discharge and should also present his discharge to the Paymaster to have the payment endorsed on it. The discharge is to be given back to the Soldier by the Paymaster; the latter only retaining as his voucher the duplicate certificates.

NOTE 2.—If the Soldier is entitled to pay for the use of his horse, the Company Commander will certify to that fact on the back of both these final statements, and also to the time he has pay due for having been so mounted on his own horse.

NOTE 3.—When a Soldier is furnished with final statements, his descriptive list, if he has one, should be taken up by the officer who gives the Soldier these statements, and endorsed with a statement to this effect by the officer. The endorsement should exhibit a full statement of the time for which the Soldier was allowed pay on his final statements, the clothing account, and all other charges against him or in his favor, so as to comprise a complete exhibit of his account. It will then be transmitted to the company commander of the Soldier, who will enter all the data necessary to a full understanding of the Soldier's account on the muster roll upon which the Soldier's discharge is reported. The descriptive list will then be destroyed. The object of this is, that the remaining portion of the Soldier's account may be settled upon the receipt of his muster roll, and the Soldier receive any pay or allowances that may be due him at the time of his discharge, and which may not appear on his final statements from the fact that his descriptive list is incomplete. These accounts for back pay, &c., are settled by the 3d Auditor of the Treasury Department.

NOTE 4.—Charges for loss or injury to ordnance, horse equipments, and other miscellaneous charges, should appear under the heading of "Other Receipts."

NOTE 5.—Bounty paid by State authorities, and not by the United States, will not be entered on this statement.

NOTE 6.—Amounts due the Soldier and Landress must be entered on the muster roll on which the discharge, death, desertion, &c., is reported, as well as on the final statement, otherwise the amount cannot be collected from the United States.

NOTE 7.—This blank will be used for deceased volunteers and drafted men, as well as for others.

NOTE 8.—Where a Soldier dies in Hospital or on detached service, his descriptive list, if he has one, should be sent with his final statements, in duplicate, to the Adjutant General, Washington, D. C.

ADJUTANT GENERAL'S OFFICE.

STATE OF

TOWN OF

Missouri

St. Louis

I, *John Henry Koenig* born in *Germany, Prussia*
in the State of *Prussia* aged *thirty-three* years,
and by occupation a *farmer* Do HEREBY ACKNOWLEDGE to have voluntarily
enlisted this *28th* day of *August* 1862,
as a Soldier in the Volunteer Service of the United States of America, for the period of THREE
YEARS, unless sooner discharged by proper authority. Do also agree to accept such bounty,
pay, rations and clothing, as are, or may be, established by law. And I, *John Henry Koenig*
Koenig do solemnly swear, that I will bear true faith
and allegiance to the United States of America, and that I will serve them honestly and faith-
fully against all their enemies or opposers whomsoever; and that I will observe and obey the
orders of the President of the United States, and the orders of the officers appointed over me,
according to the Rules and Articles of War.

Sworn and subscribed to, at *St. Louis*
this *28th* day of *August* 1862
By *Chas. E. Rogers*

J. H. Koenig

I CERTIFY ON HONOR, That I have carefully examined the above named Recruit, agreeably to the General Regu-
lations of the Army, and that in my opinion he is free from all bodily defects and mental infirmity, which would, in any way
disqualify him from performing the duties of a soldier.

W. L. Strother

Examining Surgeon.

I CERTIFY ON HONOR, That I have minutely inspected the Recruit, *John Henry Koenig*
previously to his enlistment, and that he was entirely sober when enlisted; that, to the best of my judgment and belief, he is
of lawful age; and that, in accepting him as duly qualified to perform the duties of an able-bodied soldier, I have strictly ob-
served the Regulations which govern the recruiting service. This soldier has *blue eyes, brown hair, dark*
complexion, is *5* feet *10* inches high.

NOTES.

- 1..The amount of any arrears pay for which the soldier may be mustered, as by an Acting Hospital Steward, as Saddle, &c., and which may be still due him, must be carefully noted.
- 2..In the column headed "BOUNTY PAID," must be entered the whole amount due him; in that of "BOUNTY DUE," the whole amount yet due him. Bounty paid by State authorities, and not by the United States, will not be entered on this statement.
- 3..Stoppages for loss or damage done to arms or other public property, must be noted, and the articles, and particulars of a Court Martial, a transcript of the same must be entered here; and the amount already stopped must be carefully stated.
- 4..In every case of desertion, the date, and that of delivery, or apprehension, must be given, together with a correct transcript of the order of sentence or pardon.
- 5..A careful statement of the man's CLOTHING ACCOUNT must be made, to date, and the amount DUE TO, or FROM him must be precisely stated.
- 6..Should the man have been engaged in any action or skirmish, it must be mentioned, together with date and place. A full and particular mention will be made of any wounds he may have received in action, or other injury, whilst in the line of his duty.
- 7..If the soldier is entitled to pay for the use of his horse, the company commander will certify to that fact on this list, and also to the time he has paid for having been so mounted on his own horse.
- 8..When a soldier is furnished with final statements, his descriptive list, if he has one, should be taken up by the officer to this effect by the officer. This endorsement should exhibit a full statement of the time for which the soldier was allowed pay on his final statements, the clothing account, and all other charges against him or in his favor, so as to comprise a complete exhibit of his account. It will then be transmitted to the company commander of the soldier's account on the muster roll upon which the soldier's discharge is reported. The descriptive list will then be destroyed. The object of this is, that the remaining portion of the soldier's account may be settled upon the receipt of these muster rolls, and the soldier receive any pay or allowances that may be due him at the time of his discharge, and which may not appear on his final statements from the fact that his descriptive list is incomplete. These accounts for back pay, &c., are settled by the 2d Auditor of the Treasury Department.
- 9..Where a soldier dies in Hospital or on detached service, his descriptive list, if he has one, should be sent with his final statement to the Second Auditor, Washington, D. C.
- 10..Men drafted will be considered as mustered in from draft, and will be mustered for pay on the usual rolls. On the same line as the soldier's name, under the heading "Duty and Enrolled.—Commencement of First Payment," will be written the word *drafted*; and under the heading "Where Mustered in," will be given the date when the soldier was drafted; under "By whom Mustered in," will be given the place from which drafted; under "By whom Mustered in," will be given the Name of the Enrollment District from which he was drafted, and the State to which it belongs, thus: 4th D. Mass.; (meaning 4th Enrollment District, State of Massachusetts.)
- 11..A separate descriptive list should, as a general rule, be given for each man.
- 12..Descriptive lists must, in all cases, be signed by COMMISSIONED officers; not by enlisted men acting as such.

NOTE 1.

The company commander will here add a statement of all the facts known to him concerning the disease or wound, or cause of disability of the soldier; the time, place, manner, and all the circumstances under which the injury occurred, or disease originated or appeared; the duty, or service, or situation of the soldier at the time the injury was received or disease contracted, stating particularly whether the injury was received or disease contracted in the line of his duty; and whatever other facts may aid a judgment as to the cause, immediate or remote, of the disability, and the circumstances attending it.

When the facts are not known to the company commander, the certificate of any officer, or affidavit of other person having such knowledge, will be appended—as the surgeon in charge of a hospital, the officer commanding a detachment of recruits, &c., &c.

NOTE 2.

When a probable case for pension, special care must be taken to describe the degree of disability—as *1*, *2*, *3*, &c.; to describe particularly the disability, wound, or disease; the extent to which it deprives him of the use of any limb or faculty, or affects his health, strength, activity, constitution, or capacity to labor or earn his subsistence. The surgeon will add, from his knowledge of the facts and circumstances, and from the evidence in the case, his professional opinion of the cause or origin of the disability. In the case of discharges by Medical Inspectors, the last paragraph will state that the "discharge was given by consent of the soldier, after a personal examination, and for disability, the nature, degree, and origin of which are correctly described in the within certificate."

Par. 1260 Regulations, Edit. 1861.

Medical officers, in giving certificates of disability, are to take particular care in all cases that have not been under their charge; and especially in epilepsy, convulsions, chronic rheumatism, derangement of the urinary organs, ophthalmia, ulcers, or any obscure disease liable to be feigned or purposely produced; and in no case shall such certificate be given until after sufficient time and examination to detect any attempt at deception.

DIRECTIONS.

This certificate will be made out in duplicate by the soldier's company commander, or other officer commanding the company detachment to which he belongs and sent by him to the surgeon who has charge of the hospital where the soldier is sick. The surgeon will then fill out and sign the surgeon's certificate, and forward these papers to the regimental detachment, or post commander, who will forward them, with his action endorsed thereon, through the proper channel to his division commander; or if the troops are not attached to a division, to his corps, department, or other commander or commander-in-chief, the authority to discharge enlisted men may be specially delegated.

These certificates, after having received the action of the highest authority to which they are required to be sent, will be returned through the same channel to the regimental, post, or detachment commander, who will, if the discharge is authorized by the endorsement of the proper authority, sign the soldier's discharge, and the last certificate on this paper; see that the soldier is furnished with the proper final documents in duplicate, and forward BOTH of these certificates duly to the Adjutant General United States Army, at Washington, D. C.; they will not under any circumstances be given into the hands of the soldier.

FINAL STATEMENT

Lord

OF

Andrew W. Lawrence Capt

3d Regt of Me Vol Infy

VOLUNTEERS.

Died Sept 1, 1864 1st

NOTE 1.—Two of these certificates (or duplicates) are to be given to each Volunteer Soldier or drafted man who may be discharged previously to the discharge of his company, that he may at once receive from the Paymaster the pay due him, and the captain or other COMMISSIONED officer commanding the company will certify to the act of the delivery of the duplicate certificates, on these certificates the Soldier is "entitled to" his discharge and should also present his discharge to the Paymaster to have the payment endorsed on it. The discharge is to be given back to the Soldier by the Paymaster; the latter only retaining as his voucher the duplicate certificates.

NOTE 2.—If the Soldier is entitled to pay for the use of his horse, the Company Commander will certify to that fact on the back of both these final statements, and also to the time he has pay due for having been so mounted on his own horse.

NOTE 3.—When a Soldier is furnished with final statements, his descriptive list, if he has one, should be taken up by the officer who gives the Soldier these statements, and endorsed with a statement to this effect by the officer. This endorsement should show a full statement of the time for which the Soldier was allowed pay on his final statements, the clothing account, and all other charges against him, or in his favor, so as to comprise a complete exhibit of his account. It will then be transmitted to the company commander of the Soldier, who will mark all the data necessary to a full understanding of the Soldier's account on the muster roll upon which the Soldier's discharge is reported. The descriptive list will then be destroyed. The object of this is that the remaining portion of the Soldier's account may be settled upon the muster of the next roll, and the Soldier receive any pay or allowances that may be due him at the time of his discharge, and which may not appear on his final statements from the fact that his descriptive list is incomplete. These accounts for back pay, &c., are settled by the Treasurer of the Treasury Department.

NOTE 4.—Charges for loss of property, horse equipment, and other miscellaneous charges, should appear under the heading of "Other Stoppage."

NOTE 5.—Bounty paid by State, or not by the United States, will not be entered on these statements.

NOTE 6.—Amounts due the Soldier and his family must be entered on the muster roll upon which the discharge, death certificate, &c., is reported, as well as on the final statement; otherwise the amount cannot be collected from the United States.

NOTE 7.—This blank will be used for deceased volunteers and drafted men, as well as for others.

NOTE 8.—When a Soldier dies in Hospital or on detached service, his descriptive list, if he has one, should be sent with his final statement, in duplicate, to the Adjutant General, Washington, D. C.

Colonel

I beg leave to tender this as my resignation of the office of first Lieutenant Company D 31st Regiment Mo vol Infantry for the following reason,

My health has been such as to render me a great portion of the time since I received my Commission (now nearly a year) unfit for duty and since the 13th June last, have been unable to do duty and am now so reduced in flesh, and disease so fastened upon me as to render it certain that I can never recover in this climate and probable that I will not do so in even a northern climate, I have given all the strength and health Providence blessed me with to the cause of the Union & now can do no more, I enclose Surgeons certificate of my disability.
I have turned over and accounted for all Government property ever received by me, I am not indebted to the U.S. on any account. have never been absent from my command without leave. have been paid to include the 30th April 1863. pay is due me from that date to the present,

I am very Respectfully
your obt servant.

Lieut. Maclay has never
reported to Col. Dubois in
obedience to the enclosed
order; neither has he
joined his Co. (G). From
the signature to his letter
it appears that he has
entered Co. "B", 31st Mo. Inf.
as 1st Lieut., and this while
holding a commission in
the 1st Mo. Lt. Art. In con-
sequence of Lieut. Maclay's dis-
obedience of orders (in not
reporting as directed in
L.O. No. 165) and the little
service he has been to the
Government, I respectfully
recommend that he be
mustered out of service
without pay or allowances.

Dear Sir

I write

You some time ago tendering my
resignation as Second Lieut of Battery
F. 1st ~~Art.~~ Light Art. In account of
my not being well enough drilled in
Art. And at the request of Genl F. P. Blair
to take a 1st Lieut. in the 3rd Regt Mo. Vol
Infantry, which since I was somewhat acqu-
ainted. You doubtless remember my recruiting
for the 1st Mo. Light Art. with the promise of
being made a second Lieut if I got thirty
men, I had thirty eight men mustered into the
Regt, the promise made me was by Col
Madison Miller, I saw you in St Louis while
you was in command of the Regt. You said go
on recruiting until further orders, which I did.
I have got my Commission dating from
March first. 62. And it is necessary to have
my resignation accepted, and get my mustering
out Roll. So as to get my pay. Genl Blair,
said he would assist me in getting it, as
I worked in good faith, but showed there
be no other way to get it than by going

into the 1st Mt. Should you want me. I am
 willing to do my best. This I leave all to
 your better judgement. You will very much
 oblige me by attending to the matter, or
 advising me the best course to pursue, in
 case one considerable to get the men, and
 not being over plenty of the needful a
 little would not come amiss. Please answer
 immediately, Direct to Camp Patterson or in

And in case any of the officers, so authorized to take care of the effects of deceased officers and soldiers, should, before they have accounted to their representatives for the same, have occasion to leave the regiment or post, by preferment or otherwise, they shall, before they be permitted to quit the same, deposit in the hands of the commanding officer, or of the assistant military agent, all the effects of such deceased non-commissioned officers and soldiers, in order that the same may be secured for, and paid to, their respective representatives.

NOTE 1.—This blank will be used for both enlistments and re-enlistments—enlistment of veterans, etc., etc., in the volunteer service. They will be made out in duplicate in all cases—one to accompany the recruiting return of the superintendent (not the recruiting officer) to the Adjutant General, and one to accompany the accounts of the officer who pays bounty, etc. The Regiment and Company in which the soldier last served should be given on the back.

NOTE 2.—An enlistment holds to service. A muster-in must in all cases precede payment of pay, bounty, pension, etc. A muster-in roll must in all cases be filed in the Adjutant General's Office as evidence of muster-in. The mustering officer, commissary, or assistant commissary of musters, as the case may be, will counter-sign both enlistments as having mustered the soldier into the service of the United States before either of them is given to the disbursing officer.

I CERTIFY ON HONOR, That I have minutely inspected the Recruit, *William McJinney*,
previously to his enlistment, and that he was entirely sober when enlisted; that, to the best of my judgment and belief, he is

ARTICLES OF WAR

ART. 93. When any non-commissioned officer or soldier shall die, or be killed in the service of the United States, the then commanding officer of the troop or company shall, in the presence of two other commissioned officers, take an account of what effects he died possessed of, above his arms and accoutrements, and transmit the same to the office of the Department of War, which said effects are to be accounted for, and paid to the representatives of such deceased non-commissioned officer or soldier. And in case any of the officers, so authorized to take care of the effects of deceased officers and soldiers, should, before they have accounted to their representatives for the same, have occasion to leave the regiment or post, by prement or otherwise, they shall, before they be permitted to quit the same, deposit in the hands of the commanding officer, or of the assistant military agent, all the effects of such deceased non-commissioned officers and soldiers, in order that the same may be secured for, and paid to, their respective representatives.

DIRECTIONS.

NOTE 1.—One copy of the inventories of the effects of deceased non-commissioned officers and soldiers, required by the 93th Article of War, will be forwarded to the Adjutant General, by the commander of the company to which the deceased belonged, and a duplicate of the same to the colonel of the regiment. Final statements of pay, clothing, &c., in duplicate, will be sent to the Adjutant General with one copy of the inventory. Both inventory and final statements should be forwarded, as a general rule, through Regimental Headquarters. When a soldier dies at a post or station absent from his company, it will be the duty of his immediate commander to furnish, direct to the Adjutant General, the required inventory and final statements, and, at the same time, to forward a report of his death, specifying the date, place, and cause; to what time he was last paid, and the money or other effects in his possession at the time of his decease; what report will be noted on the next muster roll of the company to which the man belonged. Each inventory will be endorsed, "Inventory of the effects of _____, late of company _____, regiment of _____, who died at _____, the _____ day of _____, 186____." If a legal representative receive the effects, it will be stated in the report. If the soldier leaves no effects, the fact will be reported on the blank for inventory.

NOTE 2.—Should the effects of a deceased non-commissioned officer or soldier not be administered upon within a short period after his decease, they shall be disposed of by a Council of Administration, under the authority of the commanding officer of the post, and the proceeds deposited with the Paymaster, to the credit of the United States, until they shall be claimed by the legal representatives of the deceased.

NOTE 3.—In all such cases of sales by the Council of Administration, a statement in detail, or account of the proceeds duly certified by the Council and commanding officer (Form 5.) accompanied by the Paymaster's receipt for the proceeds, will be forwarded by the commanding officer to the Adjutant General. The statement will be endorsed, "Report of the proceeds of the effects of _____, late of company _____, regiment of _____, who died at _____, the _____ day of _____, 186____."

NOTE 4.—The effects in all cases when called for, should be turned over to the legal representative, without further authority from the Adjutant General. When the effects are turned over to the relatives of the deceased before the statement is sent to the Adjutant General, their receipts therefor should be attached to the inventories. In all other cases, one copy will be sent with a letter of transmittal direct to the Adjutant General, and a duplicate retained by the officer.

NOTE 5.—Particular care should be taken to take receipts in duplicate from the Paymaster for any funds turned over to him; one copy should be sent direct to the Adjutant General and one retained by the officer.

I have the

honour to tender this as my designation of the office
of captain of company H, 11th Mo Infantry, for the
following reasons -

1st - I claim to be the Inventor a new arm and
feel that it is a duty I owe to the government - to
perfect my invention and give the country the advantage
of it in the present war - and am confident that
I can do more to subserve the cause of the union
than I can in command of my company especially as
it is ordered to serve men for duty.

2nd - My residence is in South East Missouri where my
store and farm has been at the mercy of the Rebel army
who have plundered and stolen me again and again,
irreparable pecuniary losses have fallen upon me in this
way - and devolves a solemn duty on me - to my wife and
children to make an effort - to save something from the wreck
of my property.

I was last paid by Major அதிகார to the 10th April 1863
pay is due me from that date to the present time.

I am not indebted to the government on any account
have turned over and accounted for all government
property in my hands -

I have never been absent without leave from my
command (was a prisoner for nearly four months in the
hands of the enemy being captured at Chickasaw Bayou on
the 29th of Dec last) was wounded at Vicksburg on
duty on the 2nd day of July last -

I respectfully and earnestly ask that -

that my designation be accepted

NOTE 1.

The company commander will here add a statement of all the facts known to him concerning the disease or wound, or cause of disability of the soldier; the time, place, manner, and all the circumstances under which the injury occurred, or disease originated or appeared; the duty, or service, or situation of the soldier at the time the injury was received or disease contracted, stating particularly whether the injury was received or the disease contracted in the line of his duty; and whatever other facts may aid a judgment as to the cause, immediate or remote, of the disability, and the circumstances attending it.

When the facts are not known to the company commander, the certificate of any officer, or affidavit of other person having such knowledge, will be appended—as the surgeon in charge of a hospital, the officer commanding a detachment of recruits, &c., &c.

NOTE 2.

When a probable case for pension, special care must be taken to state the degree of disability—as *l. p.*, &c., &c.; to describe particularly the disability, wound, or disease; the extent to which it deprives him of the use of any limb or faculty, or affects his health, strength, activity, constitution, or capacity to labor or earn his subsistence. The surgeon will add, from his knowledge of the facts and circumstances, and from the evidence in the case, his professional opinion of the cause or origin of the disability. In the case of discharges by Medical Inspectors, the last paragraph will state that the "discharge was given by consent of the soldier, after a personal examination, and for disability, the nature, degree, and origin of which are correctly described in the within certificate."

For 1200 Regulations, Edit. 1861.
Medical officers, in giving certificates of disability, are to take particular care in all cases that have not been under their charge; and especially in epilepsy, convulsions, chronic rheumatism, derangement of the urinary organs, ophthalmia, ulcers, or any obscure disease liable to be feigned or purposely produced; and in no case shall such certificate be given until after sufficient time and examination to detect any attempt at deception.

DIRECTIONS.

This certificate will be made out in duplicate by the company commander, or other officer commanding the separate detachment to which he belongs and sent by him to the surgeon who has charge of the hospital where the soldier is sick. The surgeon will then fill out and sign the surgeon's certificate, and forward these papers to the regimental, detachment, or post commander, who will forward them, with the action recommended thereon, through the proper channel, to his division commander; or, if the troops are not attached to a division, to his corps, department, or other commander or officer to whom the authority to discharge enlisted men may be specially delegated.

These certificates, after having received the action of the highest authority to which they are required to be sent, will be returned through the same channel to the regimental, post, or detachment commander, who will, if the discharge is authorized by the endorsement of the proper authority, sign the soldier's discharge, and the last certificate on this paper, and that the soldier is furnished with the proper final statement in duplicate, and forward both of these certificates to the Adjutant General United States Army, at Washington, D. C.; they will not under any circumstances be given into the hands of the soldier.

FINAL STATEMENT

Willie McRay
31st Regt of Mo Inf

VOLUNTEERS.

NOTE 1.—Two of these certificates (or duplicates) are to be given to each Volunteer Soldier or drafted man who may be discharged previously to the discharge of his company, that he may at once receive from the Paymaster the pay, &c., due him, and the captain or other COMMISSIONED officer commanding the company will certify to the act of the delivery of the duplicate certificates; on these certificates the Soldier is "entitled to" his discharge, and should also present his discharge to the Paymaster to have the payment confirmed on it. The discharge is to be given back to the Soldier by the Paymaster; the latter only retaining as his voucher the duplicate certificates.

NOTE 2.—If the Soldier is entitled to pay for the use of his horse, the Company Commander will certify to that fact on the back of both these final statements, and also to the time he has pay due for having been so mounted on his own horse.

NOTE 3.—When a Soldier is furnished with final statements, his descriptive list, if he has one, should be taken up by the officer who gives the Soldier these statements, and endorsed with a statement to this effect by the officer. This endorsement should exhibit a full statement of the time for which the Soldier was allowed pay on his final statements, the clothing account, and all other charges against him or to his favor, so as to comprise a complete exhibit of his account. It will then be transmitted to the company commander of the Soldier, who will enter all the data necessary to a full understanding of the Soldier's account on the muster roll upon which the Soldier's discharge is reported. The descriptive list will then be destroyed. The object of this is, that the remaining portion of the Soldier's account may be settled upon the receipt of these muster rolls, and the Soldier receive any pay or allowances that may be due him at the time of his discharge, and which may not appear on his final statements from the fact that his descriptive list is incomplete. These accounts for back pay, &c., are settled by the 1d Auditor of the Treasury Department.

NOTE 4.—Charges for loss or injury to equipment, and other miscellaneous charges, should appear under the heading of "Other Stoppage."

NOTE 5.—Money paid by State authorities on account of the United States, will not be entered on this statement.

NOTE 6.—Amounts due the Soldier and Landwarrant money entered on the muster roll on which the discharge, death, &c., is reported, as well as the final statement, otherwise the amount cannot be collected from the United States.

NOTE 7.—This blank will be used for deceased volunteers and drafted men, as well as for others.

NOTE 8.—Where a Soldier dies in Hospital or on detached service, his descriptive list, if he has one, should be sent with his final statements, in duplicate, to the Second Auditor, Washington, D. C.
